Obituary

Forrest Agustus Lowe was born to the late Jack Lowe and Frances Lowe in St. Louis, Missouri on November 8, 1936. His family relocated to California while he was still in grammar school.

Forrest attended Dorsey High School and graduated in 1954.

At the age of 33 under the ministry of Bishop Crouch, Forrest accepted Jesus Christ as his personal savior. He was a member of Emmanuel Church of God in Christ, where he often returned to minister.

At the age of 38 he began his evangelistic ministry. His ministry has taken him throughout the United States of America and spanned to continents of South America, Europe, Asia, Africa, Australia, and the island of the Philippines. His ministry has not been limited by denominational lines or the ethnicity of any people.

Forrest served as chairman of the board of directors of the Christian jail workers for 8 years before becoming the President of the same organization. He also served as staff evangelist for Crenshaw-Imperial Foursquare Church under the late Dr. Paul Hackett.

Forrest was honored to be invited to South Africa to be an International Observer of the Historical Election that ended Apartheid and put Nelson Mandela in office as President of South Africa.

To my best friend, my teacher, my coffee buddy, and my love. I miss you so. You are my Proverbs 27:17 friend. I miss that. Like the prophet Elijah and Elish I was determined to follow you to the end no matter what. This morning I thank God for the double portion of the same Spirit of God on me. Now I understand when you told me in the doctor's office to hold on. I said, "What did you say", you said it again just hold on. It was a roller coaster ride spiritually, but I know it will take all of God's power to get me home too.

One of the things you showed and taught me as a soldier in the army of the lord was to be a 2nd Timothy 2:1-26 soldier. I shall continue to keep the faith. There is so much more that can be said but for now I will ponder them in my heart for now. Well my good General you have fought a good fight like no other I know. I will see you when I get home. Don't forget our saying, "Who loves you baby"? I DO!

*Your friend and wife,
Gloria Lowe*

Tributes

Dear Grandpa,

*I miss you very much! I remember you calling me bird legs.
Some people say that old people can't run fast, but when the bishop
Called you, you ran fast. I just have a poem for you...Roses are red
Violets are blue you are in heaven and everyone loves you.*

Love Mariah Lowe

*It was everyday you came to our house. You would get yourself a plate
of food, or ask for some fruit. You would go sit down and keep the phone
by your side, and go to sleep. It was like a movie when we came from church,
we would ride in your big Lincoln, when we got out the car and opened the trunk
and got out your briefcase it felt like we were gonna take care of some business.
In January I would help grandma with grandpa and he was doing very good. I
Love my grandpa very much. I know that he is in a better place asking a lot of
Questions that he couldn't answer. I will miss him, and we'll all see him soon.
Here is my memory of Forrest Lowe*

*P.S. I'll still get you that
Gold Rolex you always wanted.
Love Lil Craig*

Dear Grandpa,

*I miss you because you were a nice grandfather and you still are. I
Remember when you came over my house everyday and called everyday.
The same day you died I wanted to see you at the hospital but you were in
heaven already. I will love you forever, when I and the whole family goes
we will see you I will love you forever!*

*Sincerely,
Gia Stiles*

*Today I will have to say goodbye because you have gone to heaven and
Left your family and friends behind. One day we will be together again.
Grandpa, you will always be loved and when I get to heaven you will be
the first one I hug*

*Love,
Michalee Lowe*

Tributes

*Remember when it was just me and my grandpa in the house sitting
Down being bored with nothing to do, so we got in his Lincoln and
Drove around playing Batman in the car. We stopped at the gas station
And got some peppermint patties and drank ice cold sodas. Five minutes
Later I fell asleep and I will never forget that*

*Love, You,
Ryan*

Grandpa is gonna come sit right here with me!

From Deja

*I remember grandpa as a loving caring person that loved the lord. Grandpa
Was a very magnificent person through his preaching. He showed us that Jesus
Loved us that we shouldn't fear God but love him. One of the things I remember
That grandpa would always say is "You can't drink out of the cup of the Devil
And the cup of the lord at the same time. I knew what cup he chose to drink out of
The Lords. That's why we shouldn't be sad that he's gone, we should be happy
Because we all know that he's in a better place. Grandpa was a very good grandfather
He showed us right from wrong, and he would tell us that everyone made mistakes.
So don't give up every time you make one. Just try again. That's how I remember
Grandpa. Rest in peace.*

*Love,
Jerica*

*Grandpa you always told me to be quiet and leave stuff alone well I'm quiet and I left it
alone. Roses are red, violets are blue grandpa I Miss You. Love, Davion*

*Papa,
I love you. I wanted you to get better but you went to heaven and I'm
going to miss you so much.*

*Love,
Poppi (Andrew)*

To my chocolate papa I love you and I miss you.

*Love,
Naajah*

Tributes

*The world is full of miracles to those who recognize them,
But we have to look the right way since God sometimes
Will disguise them. He shines his light in places where
We'd least expect him to, and often does the opposite of
what we think he'll do....*

*He has a way of bringing out within the worst the moment
we stop worrying and choose to put him first, and if we do,
He'll pull us through and help us find the door that opens
To the very thing that we'd been looking for.*

*Sometimes things happen that are hard to understand, but I
Believe that your faith will see you through. Please know my
Thoughts are with you.*

*P.S. I love you Daddy!
Jocelyn*

*One night I had a dream that he was walking on the beach with God. Across the
Sky flashed scenes from his life. For each scene he noticed two sets of footprints in the sand;
one belonging to him, the other belonging to God. When the last scene of his flashed before him, he
looked back at the footprints in the sand. He noticed many*

*Times along the path of his life that there was only one set of footprints, that it happened at
the very lowest and saddest part of his life. This really bothered him and he questioned God about
it. Then he started to speak God, you said that one I started to follow you, you would walk with
me all the way. During the most troublesome times in my life, there is only one set of footprints. I
don't understand, when I need you most you would leave me. God replied, my precious, precious
child. I love you and I would never leave you during this time of trial and suffering, when you see
only one set of footprints, it was then that I carried you.*

*In loving memory to my Grandpa
Love, Sha'Ran*

*God saw that he was getting tired, and a cure was not to be, so he put his arms around him and
whispered, "COME WITH ME". With tearful eyes we watched him suffer, and saw him fade
away, although we loved him dearly, we could not make him stay. A golden heart stopped beating,
hard working hands to rest, God broke our hearts to prove to us, he only takes the best.*

*Love,
Special friend*
